

## **OANA General Meeting Minutes — 05/24/18**

Since the purpose of this meeting, called for 6 p.m. at the Maumus Center, was a vote on the amended Bylaws, that was the only order of business. Voting began promptly at 6. As members arrived, they were checked off the membership roster and given a ballot, which they marked “yes” or “no” in favor of the changes and put into the ballot bag. They were then free to leave.

Many attended the mini-social at the Arabi Food Store patio, where they enjoyed sandwiches catered by Arabi Food Store, and wine & beer courtesy of the OANA. Ballots were counted at around 6:20, and the amendments passed by a vote of 28 “yes” to 3 “no”. Only one person wrote a comment, suggesting that the language addressing renters could be more clear.

According to the newly revised meeting schedule, the next General Meeting will be in July (odd months). The OANA will prepare an “end of season” press release, to be issued soon.
